**New Vehicles**

1. Count the months (i.e., 30 day periods) from the transaction date to the new expiry date
2. Count each whole or part month as one
3. The day and month must be considered when counting the number of months
4. Use the table for all new vehicle transactions

**Renewals**

1. If expired more than one month – count the whole or part months after transaction date to the new expiry date
2. If expired less than one month – count the whole or part months after current expiry date to the new expiry date
3. If renewing early or on time – count the whole or part months after current expiry date to the new expiry date
4. Use this table for all renewal transactions
