

Special Events Information

LIN: 0512

Special events licences are issued to corporations, organizations, cities, towns or villages. The public event must be conducted for the advancement of charitable, educational or community objectives. The event must also be of provincial, national or international significance or a public event designated by a municipality as an event of municipal significance for example community festivals, major sporting events. An event shall be conducted without the intention of commercial or personal gain or profit. These events are open to the public and advertising is permitted. An organization wishing to hold this type of event is permitted to have 2 events in any one year; however not more than one licence will be issued to any one community on any one date.

The fees associated with a special events licence are:

- \$100 per day
