Nata If you are savening different claims				

Note: If you are covering different claim periods with different tax rates, you must complete separate schedules for different tax rates.

Instructions on how to fill out a Gasoline, Motive Fuel and Carbon Emitting Product Refund Application Aquaculturist, Fisher, Silviculturist, Wood Producer, Forest Worker, Manufacturer, Mining and Quarrying Operator

APPLICATION

Part I - Claimant Informa	tion
---------------------------	------

a) **Business Number:** This refers to the common business identifier that is issued by Canada Revenue Agency (CRA) - i.e. HST number,

and it may be obtained upon registering with either CRA, Corporate Affairs Branch of Service New Brunswick or

Finance and Treasury Board.

Language Preference: Please specify the language in which you prefer to receive correspondence. b)

c) Legal Name: This refers to one of the following:

Corporation - if you have registered your company as a corporation with Corporate Registry of Service New

Brunswick, then you must indicate your Corporation Name;

Partnership - if you have registered as a partnership with Corporate Registry of Service New Brunswick, then you

must indicate your Partnership Name;

Sole Proprietorship - if you are not registered with Corporate Registry of Service New Brunswick, then this would

be your personal name.

d) **Business Name:** This refers to the name under which you operate your business (may or may not be different than Legal Name).

Mailing Address: This refers to the mailing address where all correspondence should be mailed. You must include the full address

including County.

f) Daytime Telephone

Number:

e)

This refers to where you or your representative can be reached during the day.

E-mail: If applicable, please provide your email address. g)

h) Fax Number: If applicable, please provide your fax number.

i) Claim for Refund: Please specify if this is your first refund claim. If your name and/or address has changed since your last refund

claim, please indicate your previous name and/or address.

Physical Address where j)

records are maintained:

If your records are maintained at a location that is different from your mailing address, please specify the address.

You must include full location address including County.

Claim Period: This refers to the dates for which your refund claim starts and ends. k)

I) Purchaser's Permit: If you held a Purchaser's Permit during the period of your refund claim, provide your permit number, the expiry date

and select the type or types of operation(s) registered under your permit.

Refund Type: If you did not hold a Purchaser's Permit during either the period or portion thereof of your refund claim, please m)

select the box or boxes that describes your operation(s) and complete the section of the application pertaining to

each operation selected. This information is required to verify refund eligibility.

Section 1- Aquaculturist - Complete this section only if you did not hold a Purchaser's Permit during either the period or portion thereof of your refund claim

*** Note: Should your claim extend beyond a 2-year period, you may be contacted to verify eligibility criteria for prior years. ***

Commercial Fish Farm a. Permit #:

If you operate a commercial fish farm, please provide your permit number and include a photocopy of your permit.

Shellfish Permit #: h

If you hold a shellfish permit, please provide your permit number and include a photocopy of your permit.

Commercial Fish Pond

Licence #:

If you operate a commercial fish pond, please provide your licence number issued by the Department of Natural

Resources and Energy Development and include a photocopy of your licence.

d. Land Based / Ocean Based: Please indicate if your operation is based on land, on the ocean or both.

Start-up Operation: e.

If this is your first year operating as an aquaculturist, please provide the amount invested in stock and equipment and attach a photocopy of your three-year business development plan approved by the Minister of Agriculture, Aquaculture and Fisheries, Province of New Brunswick (Note: in order to qualify as a start-up, you must have invested at least \$10,000 in stock and equipment and be able to derive from the operation an annual gross income of at least \$10,000).

Harvest:

If this is not a start-up operation, please provide the following for the last two years:

- total kilograms of harvest;
- gross income from operations before deductions (overhead costs, taxes, etc.);
- percentage of your total income derived from your aquaculture operations.

Description of Operations:

Please describe the type of aquaculture operations engaged in, including the types of species raised and whether the operation is either land based, or ocean based.

Section 2 - Fisher - Complete this section only if you did not hold a Purchaser's Permit during either the period or portion thereof of your refund claim.

*** Note: Should your claim extend beyond a 2-year period, you may be contacted to verify eligibility criteria for prior years. **

A valid licence number issued by the federal Department of Fisheries and Oceans must be provided to qualify under a. Licences:

this exemption program as a fisher (include copy of licence). The name of the boat(s) and registration number(s)

must also be provided. Please specify if you are the owner or the operator of the boat.

Weir Fisher: A valid weir site permit number issued by the federal Department of Fisheries and Oceans must be provided to h

qualify under this exemption program as a weir fisher (include copy of licence). In addition, please check the

appropriate boxes to indicate your status.

Start-up Operation: If this is your first year operating as a fisher, please provide the amount invested in a fishing boat and equipment

and attach a photocopy of your purchase invoice(s) showing your investment (Note: To qualify as a start-up, you

must have invested at least \$10,000 in a fishing boat and equipment).

Catches: If this is not a start-up operation, please provide the following for the last two years:

total gross income from either commercial fishing activities or weir fishing activities before deductions

(overhead costs, taxes, etc.);

total gross income from transporting fish from a fishing boat/weir to shore (if applicable); and

percentage of total income derived.

Description of Operations: Please describe briefly your fishing operations, including the species harvested.

Section 3 - Silviculturist - Complete this section only if you did not hold a Purchaser's Permit during either the period or portion thereof of your refund

*** Note: Should your claim extend beyond a 2-year period, you may be contacted to verify eligibility criteria for prior years. ***

You are a silviculturist if you:

cultivate 2 acres or 2,000 Christmas trees, landscaping trees, shrubs, or plants; or

- operate a greenhouse and cultivate 2,000 square feet of landscaping trees, shrubs, flowers or bedding plants; or
- produce maple products and have at least 500 taps; or
- produced at least 5 acres of sod during the 2 years preceding the date of the application, or
- own at least 25 acres of woodland and during the 2 previous years, have thinned or planted at least 5 acres of woodland or harvested at least 50 cords of wood products from the woodland.

You are a silviculturist service contractor if you:

carry out the thinning, planting and tending of at least 50 acres of forest during the 2 fiscal years preceding the date of the application and derived an annual gross income of at least \$5,000 in either of those 2 fiscal years from such activity, or at least 20% of the annual gross income in either of those 2 fiscal years from such activity.

If you do not meet the above criteria, however your operation specializes in some aspect of the silviculture process, refer to Section 5 Forest Worker.

Annual Gross Income: Please provide the total gross income from silviculture activities before deductions (overhead costs, taxes, etc.)

for the last two years.

% of Annual Gross Income: Please indicate the percentage of your total annual gross income derived from your silviculture operation(s) for h

the last two years.

Trees Cultivated: If you cultivate Christmas trees, landscaping trees, shrubs, and/or bedding plants, please indicate the number of

acres and/or trees cultivated.

Greenhouse Operations: If you operate a greenhouse or greenhouses, please indicate the square feet of landscaping trees, shrubs, d

flowers or bedding plants.

e. Maple Sugar Taps: If you produce maple sugar, please specify the number of taps.

f. **Sod Operations:** If you produce sod, please indicate the number of acres produced.

Woodland (with Management g.

Plan):

If you own land and you thin, plant and harvest trees with a woodlot management plan, please indicate the number of acres owned and attach a copy of your management recommendations or plan approved by the Minister of Natural Resources and Energy Development showing that you have managed at least twentyfive acres of woodland:

- Indicate the number of acres thinned or planted, and finally
- Please indicate the number of cords harvested, during the two previous years.

Woodland (without Management Plan):

- If you own land and you thin, plant and harvest trees without a woodlot management plan, please indicate the number of acres owned showing that you have managed at least twenty-five acres of woodland;
- Indicate the number of acres thinned or planted; and finally
- Please indicate the number of cords harvested during the two previous years.

Acres Thinned, Planted or Tended:

If you were a silviculture service contractor under contract during the two previous years, please indicate the number of acres thinned, planted or tended.

Section 4 - Forest Worker - Complete this section only if you did not hold a Purchaser's Permit during either the period or portion thereof of your refund

*** Note: Should your claim extend beyond a 2-year period, you may be contacted to verify eligibility criteria for prior years. ***

You are a forest worker if you:

- are contracted with a person who is registered with Finance and Treasury Board as a silviculturist; or
- are contracted with a person who is registered with Finance and Treasury Board as a wood producer; or
- construct or maintain woods roads for the purpose of harvesting trees in a logging operation conducted in a forest area.

Annual Gross Income: Please provide total gross income from forest work activities before deductions (overhead costs, taxes, etc.) for

the last two years.

h % of Annual Gross Income: Please indicate the percentage of your total annual gross income derived from your forest worker operation(s)

for the last two years.

Contracted by a Silviculturist: Please indicate, by checking this box, if you are contracted by a registered silviculturist to perform certain C.

specialized aspects of the silviculture process.

Contracted by a Wood Please indicate, by checking this box, if you are contracted by a registered wood producer to perform specialized d.

aspects of the wood harvesting process, such as operating a slasher or a delimber.

Construction or Maintenance Please indicate, by checking this box, if you are engaged in the construction and maintenance of woods roads e. of Woods Roads:

for the purpose of harvesting trees conducted in a forest area only.

f. Additional Forest Worker Please use this space to provide additional details relating to your forest worker operations and, list all machinery Operations:

used in your operation.

Section 5 - Wood Producer - Complete this section only if you did not hold a Purchaser's Permit during either the period or portion thereof of your refund claim.

*** Note: Should your claim extend beyond a 2-year period, you may be contacted to verify eligibility criteria for prior years. ***

You are a wood producer if you:

Producer:

- operate a commercial wood harvesting operation involving the felling of trees, or
- operate a commercial wood harvesting operation involving the removal of trees from stump to a skidway, log dump or carrier and, in either of the two (2) fiscal years preceding the date of the application, meet one or more of the following:
 - harvest or cut an average of at least 300 cords of wood (or the equivalent of at least 300 cords of wood) and/or;
 - derive from the operation an annual gross income of at least \$5,000.

If you do not meet the above criteria, however your operation specializes in some aspect of the wood harvesting process, refer to Section 5 Forest Worker.

Annual Gross Income: Please provide the total gross income from wood producing activities before deductions (overhead costs, taxes, a.

etc) for the last two years.

Percentage of Annual b.

Gross Income:

Please indicate the percentage of your total annual gross income derived from your wood producing operation(s)

for the last two years.

Harvesting Details: Please indicate the total volume of wood harvested during the last two years using one of the specified units of С

measure (can be specified in the number of cords, or cubic metres or tonnes):

(1 cord = approximately 2 cubic metres)

(1 cord of hardwood = approximately 2.1 tonnes; 1 cord of softwood = approximately 1.9 tonnes).

d Wood Hauled from Stump

to Skidway:

Please indicate the total volume of wood hauled from stump to skidway during the last two years using one of the

specified units of measure (can be specified in the number of cords, or cubic metres or tonnes):

(1 cord = approximately 2 cubic metres)

(1 cord of hardwood = approximately 2.1 metric tonnes; 1 cord of softwood = approximately 1.9 metric tonnes).

Start-up Operation: If this is your first year operating as a wood producer, please indicate that this is a start-up operation. Also, please

indicate the amount invested in wood harvesting equipment and attach a photocopy(s) of your purchase invoices

showing an investment of at least \$10,000.00.

f. **Property Tax Account** Numbers or LRIS ID Numbers:

Please list the property tax account numbers or LRIS ID numbers for each parcel of land or woodlot owned along with the number of acres or hectares.

Additional Wood Producing Use this space to provide additional details relating to your wood producing operations.

Operations:

Listing of Goods Produced:

b.

Section 6 - Manufacturer- Complete this section only if you did not hold a Purchaser's Permit during either the period or portion thereof of your refund

Description of Operations: Please explain the type of manufacturing that you perform and describe your physical plant. This detail should a.

include the steps involved in your manufacturing process.

Section 7 - Mining and Quarrying- Complete this section only if you did not hold a Purchaser's Permit during either the period or portion thereof of your refund claim

a. **Description of Operations:** Please explain the type of mining or quarrying that you perform and describe the various steps in the process.

b. Listing of Products Mined or Please list all substances mined or quarried. Quarried:

Part II - Refund Claim Summary

Gasoline:

Totals from Schedule 1(A) -This section is to be completed ONLY after Schedule 1(A) has been completed.

> Column C: Bring forward the total number of litres of gasoline giving entitlement to a refund recorded on Line

(K) of Schedule 1(A).

Bring forward the total amount of refund claimed on gasoline recorded on Line (Q) of Schedule 1(A). Column D:

Totals from Schedule 1(B) -0) Diesel:

This section is to be completed ONLY after Schedule 1(B) has been completed.

Bring forward the total number of litres of diesel giving entitlement to a refund recorded on Line (N) Column C:

of Schedule 1(B).

Column D: Bring forward the total amount of refund claimed on diesel recorded on Line (S) of Schedule 1(B).

Totals from Schedule 1(C) p) Propane:

This section is to be completed ONLY after Schedule 1(C) has been completed.

Bring forward the total number of litres of propane giving entitlement to a refund recorded on Line (N) Column C:

of Schedule 1(C).

Bring forward the total amount of refund claimed on propane recorded on Line (S) of Schedule 1(C). Column D:

Total Amount Claimed: Add all entries under Column D. This represents the total amount of refund claimed for all fuel types.

Part III -Declaration

Applicant Declaration: This refers to the conditions that each applicant accepts upon making their signature.

This confirms that the applicant accepts the conditions imposed under the Applicant Declaration. (Note: Application Signature:

requires original signature - No photocopies or faxed copies of the application will be accepted.)

Date / Telephone: Please date the application and include your daytime telephone number.

To be entitled to a refund, New Brunswick gasoline and motive fuel tax and New Brunswick carbon emitting product Important Notes: tax must have been paid to a Gasoline, Motive Fuel and Carbon Emitting Product Wholesaler or a Gasoline, Motive Fuel and Carbon Emitting Product Retailer holding a valid licence with the Province of New Brunswick. Clear

photocopies of purchase receipts showing that taxes were paid must be included with your refund application form.

Refund claims, for the exempt groups shown on this application, are limited to a period of three (3) years from the day on which the overpayment of tax was made.

If you are covering different claim periods with different tax rates (see attached Tax Rates Table), you must complete separate schedules for different tax rates.

Alternative Fuels: This refers to alternative fuels such as Biodiesel, Natural Gas, etc. Alternative fuels used as substitutes for gasoline and/or diesel are subject to gasoline and motive fuel tax at either the gasoline tax rate or the diesel tax rate. In addition, alternative fuels are subject to the carbon emitting product tax at the appropriate carbon emitting product tax rate (see attached Tax Rates Table). However, where alternative fuel is used in an exempt area as a substitute for gasoline and/or diesel, the gasoline and motive fuel tax and / or the carbon emitting product tax paid could qualify for a refund.

SCHEDULE 1(A) - GASOLINE

A. Name: Enter the Legal Name, the same as indicated on the first page of your refund application form.

Business Number: Enter the common business identifier, the same as indicated on the first page of your refund application form.

Claim Period: Enter the starting and ending dates for your claim.

This refers to the total volume available for consumption during a claim period and may include gasoline on hand B. Gasoline Inventory:

(bulk storage tanks) and/or direct deliveries from suppliers to motor vehicle(s), equipment and machine(s). To establish a refund amount, the total volumes of gasoline available for consumption during the period of claim must

be recorded.

Beginning Inventory: Record the total number of litres of gasoline on hand in your bulk storage tanks at the beginning of the claim period. This will equal the ending inventory of the previous claim period. (If you do not maintain bulk storage tanks, your beginning inventory is zero.)

Purchases: Add the total number of litres of all gasoline purchased during the claim period. This would include
deliveries to bulk storage tanks as well as deliveries directly to motor vehicle(s), equipment and machine(s) used
within your commercial operation.

Ending Inventory: Record the total number of litres of gasoline on hand in your bulk storage tanks at the end of the claim period. (If you do not maintain bulk storage tanks, your ending inventory is zero.)

Disbursements: Beginning Inventory + Purchases - Ending Inventory = Disbursements, which is your total consumption during the claim period. Copies of your Disbursement Records must be included with your claim.

- C. Refund Type: Please check appropriate box. If you have more than one of these operations, you must complete a separate application and schedule 1(A) for each type of operation.
- D. Column D Type: All motor vehicle(s), equipment and/or machine(s) used within your commercial operation must be listed.
- E. Column E Model: Record the corresponding model number of each motor vehicle, equipment and/or machine listed in Column D.
- F. Column F Serial Record the corresponding serial number of each motor vehicle, equipment and/or machine listed in Number: Column D.
- G. Column G Registration Number: Record the corresponding registration number / licence number of each motor vehicle, equipment and/or machine listed in Column D.
- H. Column H Usage: On separate lines, describe each activity performed by the motor vehicle(s), equipment and/or machine(s) listed in Column D.
- I. Column I Exempt Record the total number of litres of gasoline consumed in each of the activities described in Column H that qualify usage (litres):
- J. Column J Taxed Usage (litres): Record the total number of litres of gasoline consumed in each of the activities described in Column H that would not be part of your exempt operation.
- K. Line K Total Exempt Usage (litres): Calculate the total volumes entered in Column I. This is the total number of litres of gasoline consumed in an exempt area. Enter this figure in Column C (Line n) in the Refund Claim Summary under Part II of your application form.
- L. Line L Total Taxed Calculate the total volumes in Column J. This is the total number of litres of gasoline consumed in a taxable area. Usage (litres):
- M. Line M Gasoline Tax Rate:

 Enter the applicable gasoline tax rate using the attached tax rate table. It is important to note that, as a result of tax rate decreases, the tax rate will vary depending upon the claim period. If your claim covers periods with different tax rates, then you must complete separate schedules for each period based on the applicable tax rate.
- N. Line N Carbon Emitting Product Tax Rate: Enter the applicable carbon emitting product tax rate using the attached tax rates table. Not applicable on purchases made before April 1, 2020.
- O. Line O Gasoline Tax Multiply the total exempt usage by the gasoline tax rate: [Line (K) x Line (M) = Line (O)]
- P. Line P Carbon Emitting Multiply the total exempt usage by the carbon emitting product tax rate: [Line (K) x Line (N) = Line (P)]

 Product Tax Amount
- Q. Line Q Refund Claim: Add together the gasoline tax amount and the carbon emitting product tax amount:

 [Line (O) + Line (P) = Line (Q)]. This figure represents the total amount of your claim. Enter this amount in Column D (Line n) in the Refund Claim Summary under Part II of your application form.

SCHEDULE 1(B) - DIESEL

- A. Name: Enter the Legal Name, the same as indicated on the first page of your refund application form.
 - Business Number: Enter the common business identifier, the same as indicated on the first page of your refund application form.
 - Claim Period: Enter the starting and ending dates for your claim.
- B. Diesel Inventory:

 This refers to the total volume available for consumption of taxed diesel and exempt diesel during a claim period and may include diesel on hand (bulk storage tanks) and/or direct deliveries from suppliers to motor vehicle(s), equipment and machine(s). To establish a refund amount, the total volumes of fuel available for consumption during the period of claim (both taxable and exempt), must be recorded.

Beginning Inventory: Record the total number of litres of taxed diesel and exempt diesel (dyed) on hand in your bulk storage tanks at the beginning of the claim period. This will equal the ending inventory of the previous claim period. (If you do not maintain bulk storage tanks, your beginning inventory is zero.)

D.

Purchases: Add the total number of litres of all taxed diesel and all exempt diesel (dyed) purchased during the claim period. This would include deliveries to bulk storage tanks as well as deliveries directly to motor vehicle(s), equipment and machine(s) used within your commercial operation.

Ending Inventory: Record the total number of litres of taxed diesel and exempt diesel (dyed) on hand in your bulk storage tanks at the end of the claim period. (If you do not maintain bulk storage tanks, your ending inventory is zero.)

Disbursements: Beginning Inventory + Purchases - Ending Inventory = Disbursements, which is your total consumption during the claim period. Copies of your Disbursement Records must be included with your claim.

C. Refund Type: Please check appropriate box. If you have more than one of these operations, you must complete a separate application and schedule 1(B) for each type of operation.

Column D – Type: All motor vehicle(s), equipment and/or machine(s) used within your commercial operation must be listed.

E. Column E – Model: Record the corresponding model number of each motor vehicle, equipment and/or machine listed in Column D.

F. Column F – Serial Record the corresponding serial number of each motor vehicle, equipment and/or machine listed in Column D. Number:

G. Column G – Registration Number: Record the corresponding registration number / licence number of each motor vehicle, equipment and/or machine listed in Column D.

H. Column H – Usage: On separate lines, describe each activity performed by the motor vehicle(s), equipment and/or machine(s) listed in Column D.

I. Column I – Exempt Record the total number of litres of diesel consumed in each of the activities described in Column H that qualify as usage (litres): exempt.

J. Column J – Taxed Usage (litres): Record the total number of litres of diesel consumed in each of the activities described in Column H that would not be part of your exempt operation.

K. Line K – Total Exempt Calculate the total volumes entered in Column I. This is the total number of litres of diesel consumed in an exempt Usage (litres): area.

L. Line L – Total Taxed Calculate the total volumes in Column J. This is the total number of litres of diesel consumed in a taxable area. Usage (litres):

M. Line M – Exempt Diesel Enter the total number of litres of exempt diesel (dyed) dispersed to your motor vehicles, equipment and/or machines either from inventory or directly at point-of-purchase as calculated in Section B.

N. Line N – Net Exempt Use (litres): Subtract exempt diesel disbursements from total exempt usage:

[Line (K) – Line (M) = Line (N)]. If net exempt use has a negative value, then you are not entitled to a refund. If net exempt use has a positive value, then you are entitled to a refund. Enter this figure in Column C (Line o) in the Refund Claim Summary under Part II of your application form.

O. Line O – Diesel Tax
Rate:

Enter the applicable diesel tax rate using the attached tax rate table. It is important to note that, as a result of tax rate decreases, the tax rate will vary depending upon the claim period. If your claim covers periods with different tax rates, then you must complete separate schedules for each period based on the applicable tax rate.

P. Line P – Carbon Emitting Product Tax Rate: Enter the applicable carbon emitting product tax rate using the attached tax rate table. Not applicable on purchases made before April 1, 2020.

Q. Line Q - Diesel Tax Multiply the net exempt usage by the diesel tax rate: [Line (N) x Line (O) = Line (Q)]

Amount:

SCHEDULE 1(B) - DIESEL (CONTINUED)

R. Line R – Carbon Emitting Multiply the net exempt usage by the carbon emitting product tax rate: [Line (N) x Line (P) = Line (R)]

Product Tax Amount

S. Line S – Refund Claim: Add together the diesel tax amount and the carbon emitting product tax amount:

[Line (Q) + Line (R) = Line (S)]. This figure represents the total amount of your claim. Enter this amount in Column D (Line o) in the Refund Claim Summary under Part II of your application form.

SCHEDULE 1(C) - PROPANE

A. Name: Enter the Legal Name, the same as indicated on the first page of your refund application form.

Business Number: Enter the common business identifier, the same as indicated on the first page of your refund application form.

Claim Period: Enter the starting and ending dates for your claim.

В. Propane Inventory: This refers to the total volume available for consumption of taxed propane and exempt propane during a claim period and may include propane on hand (bulk storage tanks) and/or direct deliveries from suppliers to motor vehicle(s), equipment and machine(s). To establish a refund amount, the total volumes of fuel available for consumption during the period of claim (both taxable and exempt), must be recorded.

Beginning Inventory: Record the total number of litres of taxed propane and exempt propane on hand in your bulk storage tanks at the beginning of the claim period. This will equal the ending inventory of the previous claim period. (If you do not maintain bulk storage tanks, your beginning inventory is zero.)

Purchases: Add the total number of litres of all taxed propane and all exempt propane purchased during the claim period. This would include deliveries to bulk storage tanks as well as deliveries directly to motor vehicle(s), equipment and machine(s) used within your commercial operation.

Ending Inventory: Record the total number of litres of taxed propane and exempt propane on hand in your bulk storage tanks at the end of the claim period. (If you do not maintain bulk storage tanks, your ending inventory is zero.)

Disbursements: Beginning Inventory + Purchases - Ending Inventory = Disbursements, which is your total consumption during the claim period. Copies of your Disbursement Records must be included with your claim.

C. Refund Type:

Please check appropriate box. If you have more than one of these operations, you must complete a separate application and schedule 1(C) for each type of operation.

D. Column D - Type: All motor vehicle(s), equipment and/or machine(s) used within your commercial operation must be listed.

E. Column E - Model: Record the corresponding model number of each motor vehicle, equipment and/or machine listed in Column D.

F. Column F - Serial Record the corresponding serial number of each motor vehicle, equipment and/or machine listed in Column D. Number:

Column G - Registration G. Record the corresponding registration number / licence number of each motor vehicle, equipment and/or machine Number: listed in Column D.

H. Column H - Usage: On separate lines, describe each activity performed by the motor vehicle(s), equipment and/or machine(s) listed in Column D.

Column I - Exempt Record the total number of litres of propane consumed in each of the activities described in Column H that qualify I. Usage (litres): as exempt.

Column J - Taxed Usage Record the total number of litres of propane consumed in each of the activities described in Column H that would (litres): not be part of your exempt operation.

K. Line K - Total Exempt Calculate the total volumes entered in Column I. This is the total number of litres of propane consumed in an Usage (litres): exempt area.

L. Line L - Total Taxed Calculate the total volumes in Column J. This is the total number of litres of propane consumed in a taxable area. Usage (litres):

Enter the total number of litres of exempt propane dispersed to your motor vehicles, equipment and/or machines M. Line M - Exempt Propane Disbursements: either from inventory or directly at point-of-purchase as calculated in Section B.

Line N - Net Exempt Subtract exempt propane disbursements from total exempt usage: [Line (K) – Line (M) = Line (N)]. If net exempt use has a negative value, then you are not entitled to a refund. If net exempt use has a positive value, then you are entitled to a refund. Enter this figure in Column C (Line p) in the Refund Claim Summary under Part II of your application form.

SCHEDULE 1(C) - PROPANE (CONTINUED)

Use (litres):

Rate:

N.

0.

Enter the applicable propane tax rate using the attached tax rate table. It is important to note that, as a result of Line O - Propane Tax tax rate decreases, the tax rate will vary depending upon the claim period. If your claim covers periods with different tax rates, then you must complete separate schedules for each period based on the applicable tax rate.

Ρ. Line P - Carbon Emitting Enter the applicable carbon emitting product tax rate using the attached tax rate table. Not applicable on purchases Product Tax Rate: made before April 1, 2020.

Line Q - Propane Tax Q. Multiply the net exempt usage by the propane tax rate: [Line (N) x Line (O) = Line (Q)] Amount:

R. Line R - Carbon Emitting Multiply the net exempt usage by the carbon emitting product tax rate: [Line (N) x Line (P) = Line (R)] **Product Tax Amount**

S. Line S - Refund Claim: Add together the propane tax amount and the carbon emitting product tax amount: [Line (Q) + Line (R) = Line (S)]. This figure represents the total amount of your claim. Enter this amount in Column D (Line p) in the Refund Claim Summary under Part II of your application form.
