

CROWN LAND LEASE APPLICATION

A **Lease** is a legal agreement authorizing the use of Crown lands for a specific period of time under specific terms and conditions as the Minister of Energy and Resource Development determines to be appropriate.

TYPES OF USES

Commercial Lease: Authorizes the use of Crown land for running a wholesale or retail business activity for a term of 20 years. Requires submission of a Site Development Plan (Appendix A) and a Business Plan (Appendix B).

Communication Lease: Authorizes the use of Crown land for the purpose of establishing and maintaining telecommunication facilities for a term of 20 years. Requires submission of a Site Development Plan (Appendix A) and a Business Plan (Appendix B).

Industrial Lease: Authorizes the use of Crown land for the purpose of processing or manufacturing goods from man-made or natural products, and other related activities for a term of 20 years. Requires submission of a Site Development Plan (Appendix A) and a Business Plan (Appendix B).

Institutional Lease: Authorizes the use of Crown land to non-profit organizations whose purpose is to promote educational, religious, moral, physical or social growth of persons for a term of 10 years. Examples: a scout camp or church camp. Requires submission of a Site Development Plan (Appendix A) and a Business Plan (Appendix B).

Municipal Service Lease: Authorizes the use of Crown land to a Municipality for the purpose of providing community services for a term of 10 years. Examples: sewage, drainage water supply, recreational facilities. Requires submission of a Site Development Plan (Appendix A).

Transportation Lease: Authorizes the use of Crown land for the purpose of providing facilities for water and air transportation and includes related terminal, transfer and maintenance facilities for a term of 10 years. Examples: landing areas, ferry landing, public wharves. Requires submission of a Site Development Plan (Appendix A) and a Business Plan (Appendix B).

Utility Lease: Authorizes the use of Crown land for the purpose of establishing and maintaining an energy utility site for a term of 10 years. Examples: site(s) for the generation of electricity and includes all other services and facilities (e.g. power substations, switching yards, mainline valve sites, transformer pads). Requires submission of a Site Development Plan (Appendix A) and a Business Plan (Appendix B).

Recreational Lease: Authorizes the use of Crown land for the purpose of recreational activities for a term of 10 years. Examples: boat launches, personal use wharves, etc. This package should not be used for recreational leases involving camp lots or shooting ranges as these types of leases have their own specific application package. Requires submission of a Site Development Plan (Appendix A).

APPLICATION FEE

\$345.00 non-refundable (\$300.00 plus \$45.00 HST).

*Fees are established in accordance with the *Lands Administration Regulation - Crown Lands and Forests Act* and are subject to change.

PROCESS

Your application will be reviewed by the Department of Energy and Resource Development (DERD) in consultation with other agencies. The review process is expected to take between 6 and 12 weeks and may take longer depending on the type of use.

Permits and Authorizations: Compliance is required with all laws whether rural community, municipal, provincial or federal, and may include obtaining all required permits and authorizations such as: building permit, harvesting permit, quarry permit, watercourse and wetlands alteration permit, and petroleum storage licence.

Information: Contact the DNR Land Use Application Service Centre at the toll-free number 1-888-312-5600 or at www.gnb.ca/naturalresources.

IF YOUR APPLICATION IS APPROVED

Once your application is evaluated and approved, a letter from the Department will advise you of other requirements which may include the following:

Requirements that WILL be requested upon approval of the application

Survey Plan / Subdivision Plan: The plan must be completed by a licensed New Brunswick Land Surveyor and be submitted, approved and recorded by DNR.

Requirements that MAY be requested upon approval of the application

Liability Insurance: Liability insurance in the amount of \$2,000,000 minimum, listing "Her Majesty the Queen in Right of the Province of New Brunswick as represented by the Minister of Energy and Resource Development" as additional-insured.

Environmental Insurance: Environmental Remediation Insurance must be purchased and maintained by the Lessee. It is intended to cover the cost of rehabilitating the Crown land should an environmental accident occur.

Public Notification: The applicant may be required to advertise the proposal in the local newspapers or satisfy other public consultation requirements.

Environmental Impact Assessment (EIA): A copy of an Environmental Impact Assessment determination letter from the Department of Environment and Local Government may be required before the Lease is issued.

Requirements that WILL be requested upon issuance of the lease:

Preparation Fee: \$230.00 non-refundable (\$200.00 plus \$30.00 HST).

Rent: The amount due until the following April 1 is payable if a lease is issued. Annual rent is based on the area and is invoiced April 1.

Annual Property Taxes: The Lessee is responsible for paying the annual property taxes on the leased property.

Other terms and conditions may apply.

Crown Lands Lease N°:

SITE DEVELOPMENT PLAN FOR CROWN LAND LEASES

Applicant/Lessee: _____
(print)

This Site Development Plan is submitted in partial
fulfillment of the lease requirements.

Revised: October 11, 2012

Department of Energy and Resource Development
Crown Lands Branch

3. Describe the source for water supply (if any) and any associated improvements (e.g. well, reservoir, underground pipes, etc.) and indicate its location on the site plan (Section D).

4. Describe the method of sewage disposal and indicate its location on the site plan (Section D).

5. Describe in detail any fuel or hazardous product storage facilities maintained or to be maintained on the subject Crown lands including the type of fuel and/or hazardous products, the amount stored, the type of storage container or structure and indicate its location(s) on the site plan (Section D).

6. Describe in detail any improvements that will be constructed throughout the term of the lease.

Improvement	Use	CONSTRUCTION		
		Anticipated Cost	Anticipated Commencement Date	Anticipated Completion Date

SECTION B: MAINTENANCE

1. Describe in detail any repairs or maintenance which will be required on an annual or periodic basis in order to satisfy any required government approvals: This would include any improvements to access, landscaping, servicing, pump-outs, etc.

Repair/Maintenance Activity	Timing (monthly, annually, seasonally, etc.)	Equipment/Materials

SECTION C: REHABILITATION

Describe in detail the steps which will be taken to remove all improvements from the site and return the site to a condition acceptable to the Minister in the eventuality that the lease expires or is cancelled. This would include, but is not limited to, the removal from the site of all structures and foundations, fuel, garbage, storage tanks, and stockpiled materials. Also include a statement indicating how long it is expected to take to rehabilitate the site.

SECTION D: SITE PLAN

Use the space below or provide a detailed plan showing the location and dimensions of all existing, planned and/or anticipated improvements that may be developed on the subject Crown land (and, if applicable, on any adjoining lands) throughout the entire term of the lease. Include the site boundaries, distances, all watercourses, roads, trails and any other significant features. This information may be incorporated on the Plan of Survey or Subdivision Plan, whichever is required.

A large empty rectangular box intended for a site plan drawing. In the top right corner of the box, there is a compass rose with four main points labeled 'N' (North), 'S' (South), 'E' (East), and 'W' (West). The rose also features smaller, secondary points between the main ones.

No construction or development shall occur unless it is contained in the Site Development Plan or is approved as an amendment to the Crown land lease. Any amendments to the Site Development Plan must be addressed to the Director of Crown Lands Branch at the following address:

Land Use Application Service Centre
Director of Crown Lands Branch
Department of Energy and Resource Development
P. O. Box 6000
Fredericton, N. B.
E3B 5H1

This Site Development Plan and all approved amendments will form part of the Crown land lease issued by the Department of Energy and Resource Development and will be subject to the terms and conditions contained in the Schedule "C".
