

SHOOTING RANGE LEASE APPLICATION

A **Shooting Range Lease** is a legal agreement which authorizes the use of Crown land for an outdoor shooting facility (handgun, shotgun, and rifle) issued for a period of 10 years.

Archery ranges are not authorized on Crown land.

Shooting ranges **cannot** be established within:

- 40 kilometres of another shooting range;
- Floodplains;
- Park lands under the administration and control of the Minister of Energy and Resource Development;
- Protected Natural Areas (PNA) or candidate PNAs;
- Any Crown lands required for resource development;
- Any quarry sites or mine sites;
- Sites containing any rare, threatened or endangered plant species;
- Any archaeologically and culturally significant areas; and
- Any areas designated or proposed for designation under the *Clean Water Act*.

In addition to any range standards prescribed by the Department of Public Safety, Chief Firearms Office (CFO), the Department of Energy and Resource Development (DNR) will assess proposed shooting range locations and may impose site-specific restrictions and setbacks from:

- Any of the areas listed above;
- Any lakes, rivers, wetlands or other watercourses;
- Any coastal features (e.g., coastal wetlands, estuaries, beaches and dunes);
- Existing recreational, residential and institutional areas, and commercial and industrial developments;
- Existing Crown lands leases and any Crown lands designated by DNR for camp lots and public use areas;
- Telecommunication towers, airports, public highways, roads and streets, and areas designated for the above-noted purposes in a plan adopted under the *Community Planning Act*; and
- Significant wildlife habitat areas.

The design and layout of the shooting range, distance between backstops, targets, firing lines and other components are subject to approval by the CFO in accordance with standards and any relevant legislation or updated versions of these.

APPLICATION FEE

\$345.00 non-refundable (\$300.00 + \$45.00 HST)

*Fees are established in accordance with the *Lands Administration Regulation - Crown Lands and Forests Act* and are subject to change.

PROCESS

Your application will be reviewed by the Department of Energy and Resource Development (DNR) in consultation with other agencies. The review process is expected to take between 6 and 12 weeks.

Permits and Authorizations: Compliance is required with all laws whether rural community, municipal, provincial or federal, and may include obtaining all required permits and authorizations such as: building permit, harvesting permit, quarry permit, watercourse and wetlands alteration permit (WAWA), and petroleum storage licence.

Information: Contact the DNR Land Use Application Service Centre at the toll-free number 1-888-312-5600 or at www.gnb.ca/naturalresources.

IF YOUR APPLICATION IS APPROVED

Once your application is evaluated and approved, a letter from the Department will advise you of other requirements which may include the following:

Requirements that WILL be requested upon approval of the application

Survey Plan: The survey plan must be completed by a Licensed New Brunswick Land Surveyor and be submitted, approved and recorded by DNR.

Liability Insurance: Liability insurance in the amount of \$2,000,000.00 minimum, listing “Her Majesty the Queen in Right of the Province of New Brunswick as represented by the Minister of Energy and Resource Development” as additional-insured. Proof of insurance must be provided every year.

Requirements that MAY be requested upon approval of the application

Public Notification: The applicant may be required to advertise the proposal in the local newspapers or satisfy other public consultation requirements.

Requirements that WILL be requested upon issuance of the lease:

Preparation Fee: \$230.00 non-refundable (\$200.00 plus \$30.00 HST)

Rent: The amount due until the following April 1 is payable if a lease is issued. Annual rent is based on the area and is invoiced April 1.

Annual Property Taxes: The Lessee is responsible for paying the annual property taxes on the leased property.

Other terms and conditions may apply.

Shooting Range

Applicant/Lessee: _____
(print)

This Site Development Plan is submitted in partial fulfillment of the lease requirements.

Department of Energy and Resource Development
Site Development Plan

The Site Development Plan is required so that applicants can describe all proposed alterations, activities and improvements that may occur or may be developed upon Crown land during the entire term of the Crown land lease. This should also describe any required rehabilitation prior to the termination of the lease and/or any other remediation or restoration that may be needed to satisfy various approvals issued by government during the term of the lease. Once approved, the Site Development Plan will be considered part of the lease issued by the Department of Energy and Resource Development under the *Crown Lands and Forests Act*. Any deviation from the approved plan without prior written consent of the Minister of Energy and Resource Development or the Minister's designate may warrant immediate cancellation of the lease. Development guidelines:

- a) No construction shall occur unless it is contained in this plan or an approved amendment thereof;
- b) The lessee shall insure that all construction, repairs or renovations meets health, environmental, safety, zoning, fire, building or other standards and codes.

SECTION A: DEVELOPMENT

- 1. Describe in detail any planned or anticipated improvements that will be constructed or used (including backstop, structures, storage facilities, new or upgraded roads, equipment, parking areas, etc.). Please indicate the materials used and the location of these improvements on the sketch (Section D).

- 2. Describe in detail the construction and dimensions of the backstop (include materials and equipment used).

3. Describe the source for water supply (if any) and any associated improvements (e.g. well, reservoir, underground pipes, etc.) and indicate its location on the site plan (Section D).

4. Describe the method of sewage disposal and indicate its location on the site plan (Section D).

5. Describe the types of garbage, or other waste (including ammunition casings), and indicate the location of temporary storage on the site plan (Section D).

6. Describe any fuel storage facilities maintained on site including the type of fuel, the amount stored, the type of storage container or structure and indicate its location(s) on the site plan (Section D).

7. Describe in detail the specifications to be used in posting the range on its boundaries.

8. List all safety measures to be taken or maintained for the protection of the members and the general public and to prevent unauthorized use.

9. Describe in detail any improvements that will be constructed throughout the term of the lease.

| Improvement | Use | CONSTRUCTION | | |
|-------------|-----|------------------|-------------------------------|-----------------------------|
| | | Anticipated Cost | Anticipated Commencement Date | Anticipated Completion Date |
| | | | | |

SECTION B: MAINTENANCE

10. Describe in detail any repairs or maintenance which will be required on an annual or periodic basis in order to satisfy any required government approvals: This would include any improvements to access, landscaping, servicing, pump-outs, etc.

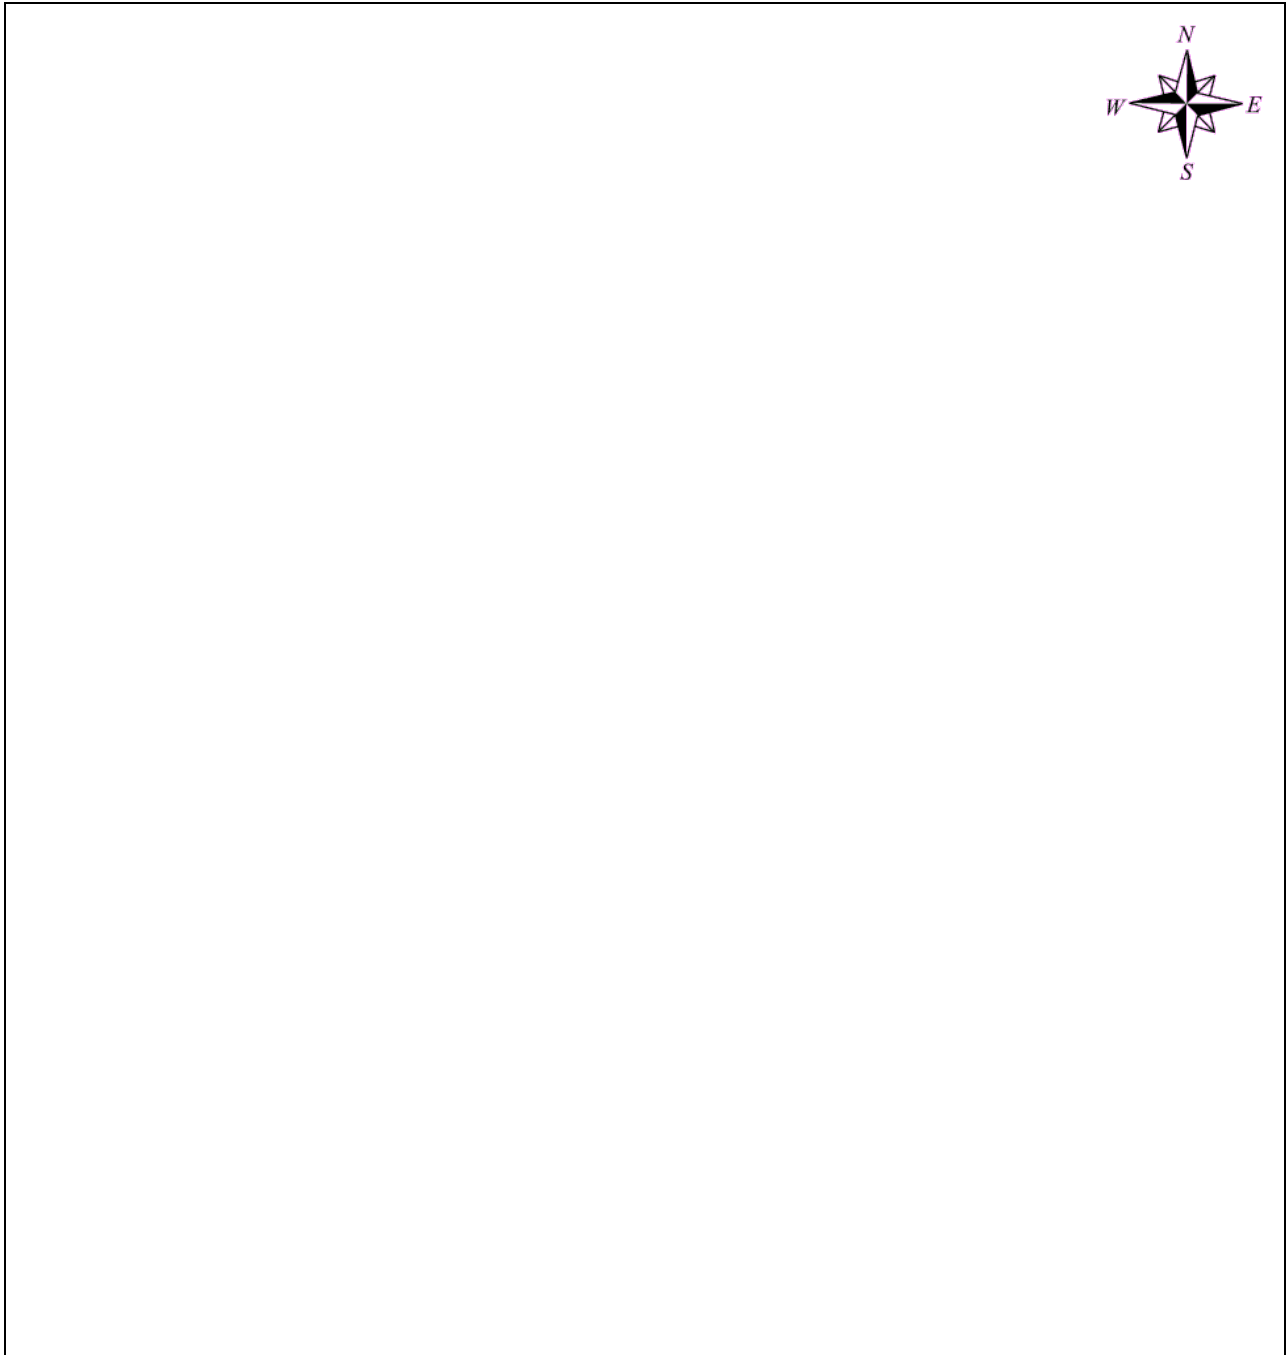

| Repair/Maintenance Activity | Timing (monthly, annually, seasonally, etc.) | Equipment/Materials |
|-----------------------------|--|---------------------|
| | | |

SECTION C: REHABILITATION

Describe in detail the steps which will be taken to remove all improvements from the site and return the site to a condition acceptable to the Minister in the eventuality that the lease expires or is cancelled. This would include, but is not limited to, the removal from the site of all structures and foundations, fuel, garbage, storage tanks, and stockpiled materials. Also include a statement indicating how long it is expected to take to rehabilitate the site.

SECTION D: SITE PLAN

Use the space below or provide a detailed plan showing the location and dimensions of all existing, planned and/or anticipated improvements that may be developed on the subject Crown land (and, if applicable, on any adjoining lands) throughout the entire term of the lease. Include the site boundaries, distances, all watercourses, roads, trails, backstop and any other significant features. This information may be incorporated on the Plan of Survey or Subdivision Plan, whichever is required.

A large empty rectangular box intended for a site plan drawing. In the top right corner of the box, there is a compass rose with four main points labeled 'N' (North), 'E' (East), 'S' (South), and 'W' (West). The box is otherwise blank.

No construction or development shall occur unless it is contained in the Site Development Plan or is approved as an amendment to the Crown land lease. Any amendments to the Site Development Plan must be addressed to the Director of Crown Lands Branch at the following address:

Land Use Application Service Centre
Director of Crown Lands Branch
Department of Energy and Resource Development
P. O. Box 6000
Fredericton, N. B.
E3B 5H1

This Site Development Plan and all approved amendments will form part of the Crown land lease issued by the Department of Energy and Resource Development and will be subject to the terms and conditions contained in the Schedule "C".
