

Before you buy... verify.

Thinking of buying a used car, mobile home or trailer? Planning to acquire a new-to-you boat, outboard motor or even a plane?

We offer an online service that protects buyers like you. Visit **Lien Check** to find out if money is owed on the item—money you could be responsible to pay should you decide to buy.

Just enter the item's serial number and for a small fee, **Lien Check** will search for any outstanding loans against it.
